BOARD OF CHIROPRACTIC EXAMINERS

IN THE MATTER OF THE LICENSE OF

THOMAS S. BOSELLI, D.C.
License No. MC 2191

TO PRACTICE CHIROPRACTIC
IN THE STATE OF NEW JERSEY

Administrative Action

ORDER OF SUMMARY
SUSPENSION

To: Thomas S. Boselli, D.C.
465 South Beach Avenue
Absecon, New Jersey 08201

This matter was opened to the New Jersey State Board of Chiropractic Examiners upon receipt of information revealing the following:

1. Respondent, Thomas S. Boselli, D.C., is the holder of license No. MC 2191 and was licensed to practice chiropractic in the State of New Jersey until August 31, 1987, at which time Respondent permitted that license to lapse.

2. On or about October 28, 2002, a Judgment of Conviction was entered in the Superior Court of New Jersey, Law Division - Criminal, Atlantic County, as a result of Respondent's plea of guilty to one count of falsifying and tampering with records in violation of N.J.S.A. 2C:21-4, by submitting health insurance claim forms which represented that he was a licensed chiropractor when he was not,

for the purpose of deceiving an insurance company. Respondent also signed a separate civil consent judgment for one hundred thousand dollars (\$100,000.00) to be paid over five years. Respondent was sentenced to probation for two years, incarceration for one day with credit for one day served, and 100 hours of community service, with a waiver of any right to Pretrial Intervention.

3. In addition, the Board has received information indicating that Respondent continued to practice during the period in which his license had lapsed, failed to make and maintain adequate patient records and sold nutritional supplements, in violation of state statutes and the regulations promulgated by the Board.

4. The above conduct provides grounds for disciplinary action against Respondent's license to practice chiropractic in New Jersey pursuant to N.J.S.A. 45:1-21(f) in that Respondent was convicted of a crime involving moral turpitude and relating adversely to the practice of chiropractic, N.J.S.A. 45:1-25(c) in that Respondent engaged in the unlicensed practice of chiropractic in New Jersey, N.J.S.A. 45:1-21(h) in that Respondent failed to comply with the provisions of statutes and regulations administered by the Board, and N.J.S.A. 45:1-21(e) in that Respondent engaged in professional misconduct.

5. Respondent's failure to submit his biennial renewal in 1987 resulting in a lapsed license status provides grounds to automatically suspend Respondent's license to practice chiropractic in the State of New Jersey pursuant to N.J.S.A. 45:1-7.1(b).

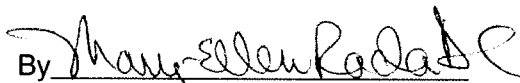

ACCORDINGLY, IT IS on this 22nd day of January, 2004,

ORDERED that:

1. Respondent's license to practice chiropractic in the State of New Jersey shall be, and hereby is, suspended by operation of N.J.S.A. 45:1-7.1, without hearing.

2. In the event that Respondent seeks reinstatement of a New Jersey license at any time in the future, this order shall require Respondent to show cause why the application for reinstatement should not be refused or issued subject to such restraints as the Board may deem appropriate.
